Except as provided in this Contract, in no event shall City be liable for costs incurred by or on behalf of Contractor after the effective date of a notice of termination.

c. A written notice is deemed served when a party sends the notice in an envelope addressed to the other party to this Contract and deposits it with the U.S. Postal Service, first class mail, postage prepaid. For purposes of this Contract, all notices to City shall be addressed as follows:

and other works of similar nature produced in the course of the performance of this Contract. Contractor shall not publish any such material without the prior written agreement of the City.

c. With the prior written approval of City's Project Manager, Contractor may retain and use copies of its work for reference and as documentation of its experience and capabilities.

Contractor shall be liable for its acts and omissions, and those of its employees and its agents. Nothing contained herein shall be construed as creating an employment, agency or partnership relationship between City and Contractor.

b. Direction from City regarding the subject of this Contract shall be construed as providing for direction as to policy and the result of Contractor's Work only and not as to the means or methods by which such a result is obtained.

c. Except as expressly provided in this Contract, nothing in this Contract shall operate to confer rights or benefits on persons or entities not party to this Contract.

b. For purposes of this Contract, the Tibet Autonomous Region and the provinces of Abo, Kham, and U-Tsang shall be deemed oppressive states.

c. Contractor's failure to comply with this section shall constitute a default of this Contract and City may terminate this Contract pursuant to Section 3. In the event that the City terminates Contractor due to a default under this provision, City may deem Contractor a non-responsible bidder for not more than five (5) years from the date this Contract is terminated.

14. **SANCTUARY CITY CONTRACTING**

Contractor hereby agrees to comply with the provisions of the Sanctuary City Contracting Ordinance, B.M.C. Chapter 13.105. For the purposes of this Contract, recycled paper is paper that contains at least 50% recycled product. If recycled paper is not available, Contractor shall use white paper. Written reports or studies prepared under this Contract shall be printed on both sides of the page whenever practical.

16. **BERKELEY LIVING WAGE ORDINANCE**

a. Contractor hereby agrees to comply with the provisions of the Berkeley Living Wage Ordinance, B.M.C. Chapter 13.27. If Contractor is currently subject to the Berkeley Living Wage Ordinance, as indicated by the Living Wage Certification form, attached hereto, Contractor will be required to provide all eligible employees with City mandated minimum compensation during the term of this Contract, as defined in B.M.C. Chapter 13.27, as well as comply with the terms enumerated herein. Contractor expressly acknowledges that, even if Contractor is not currently subject to the Living Wage Ordinance, cumulative contracts with City may subject Contractor to the requirements under B.M.C. Chapter 13.27 in subsequent contracts.

b. If Contractor is currently subject to the Berkeley Living Wage Ordinance, Contractor shall be required to maintain monthly records of those employees providing service under the Contract. These records shall include the total number of hours worked, the number of hours spent providing service under this Contract, the hourly rate paid, and the amount paid by Contractor for health benefits, if any, for each of its employees providing services under the Contract. These records are expressly subject to the auditing terms described in Section 17.

Chapter 13.27 and herein.

d. If Contractor fails to comply with the requirements of this Section, the City shall have the rights and remedies described in this Section, in addition to any rights and remedies provided by law or equity.

Contractor's failure to comply with this Section shall constitute a material breach of the Contract, upon which City may terminate this Contract pursuant to Section 3. In the event that City terminates Contractor due to a default under this provision, City may deem Contractor a non-responsible bidder for not more than five (5) years from the date this Contract is terminated.

In addition, at City's sole discretion, Contractor may be responsible for liquidated damage in the amount of \$50 per employee per day for each and every instance of an underpayment to an employee. It is mutually understood and agreed that Contractor's failure to pay any of its eligible employees at least the applicable living wage rate will result in damages being sustained by the City; that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damage set forth herein is the nearest and most exact measure of damage for such breach that can be fixed at this time; and that the liquidated damage amount is not intended as a penalty or forfeiture for Contractor's breach. City may deduct any assessed liquidated damages from any payments otherwise due Contractor.

17. **BERKELEY EQUAL BENEFITS ORDINANCE**

a. Contractor hereby agrees to comply with the provisions of the Berkeley Equal Benefits Ordinance, B.M.C. Chapter 13.29. If Contractor is currently subject to the Berkeley Equal Benefits Ordinance, as indicated by the Equal Benefits Certification form, attached hereto, Contractor will be required to provide all eligible employees with City mandated equal benefits, as defined in B.M.C. Chapter 13.29, during the term of this contract, as well as comply with the terms enumerated herein.

b. If Contractor is currently or becomes subject to the Berkeley Equal Benefits Ordinance, Contractor agrees to provide the City with all records the City deems necessary to determine compliance with this provision. These records are expressly subject to the auditing terms described in Section 17 of this contract.

c. If Contractor fails to comply with the requirements of this Section, City shall have the rights and remedies described in this Section, in addition to any rights and remedies provided by law or equity.

Contractor's failure to comply with this Section shall constitute a material breach of the Contract, upon which City may terminate this contract pursuant to Section 3. In the event the City terminates this contract due to a default by Contractor under this provision, the City may deem Contractor a non-responsible bidder for not more than five (5) years from the date this Contract is terminated.

In addition, at City's sole discretion, Contractor may be responsible for liquidated damages in the amount of \$50.00 per employee per day for each and every instance of violation of this Section. It is mutually understood and agreed that Contractor's failure to provide its employees with equal benefits will result in damages being sustained by City; that the nature and amount of these damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein is the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damage amount is not intended as a penalty or forfeiture for Contractor's breach. City may deduct any assessed liquidated damages from any payments otherwise due Contractor.

18. **AUDIT**

Pursuant to Section 61 of the Berkeley City Charter, the City Auditor's Office may conduct an audit of Contractor's financial, performance and compliance records maintained in connection with the operations and services performed under this Contract. In the event of such audit, Contractor agrees to provide the City Auditor with reasonable access to Contractor's employees and make all such financial, performance and compliance records available to the Auditor's Office. City agrees to provide Contractor an opportunity to discuss and respond to any findings before a final audit report is filed.

19. **SETOFF AGAINST DEBTS**

Contractor agrees that City may deduct from any payments due to Contractor under this Contract any monies that contractor owes City under any ordinance, contract or resolution for any unpaid taxes, fees, licenses, unpaid checks or other amounts.

20. **CONFIDENTIALITY OF INFORMATION**

Contractor understands and agrees that, in the performance of the services under this Contract or in the contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent consultant would use to protect its own proprietary data.

21. **PREVAILING WAGES**

Certain labor categories under this contract may be subject to prevailing wages as identified in the State of California Labor Code commencing with Sections 1720 et. seq. and 1770 et. seq. These labor categories, when employed for any "work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work," constitute a "Public Work" within the definition of Section 1720(a)(1) of the California Labor Code requiring payment of prevailing wages. In performing its obligations under this contract, Contractor is solely responsible to determine which, if any, of the work is governed by a labor category pursuant to California Labor Code sections 1720 et. seq. and 1770 et. seq. and pay the pertinent prevailing wage. Contractor shall defend, indemnify and hold harmless City concerning any liability arising out of Labor Code section 1720 et. seq. and 1770 et. seq.

22. **GOVERNING LAW**

This Contract shall be deemed to have been executed in Alameda County. The formation, interpretation and performance of this Contract shall be governed by the laws of the State of California, excluding its conflict of laws rules. Venue for all litigation relative to the formation, interpretation and performance of this Contract shall be in Alameda County, California.

23. **AMENDMENTS**

The terms and conditions of this Contract shall not be altered or otherwise modified except by a written amendment to this Contract executed by City and Contractor.

24. **ENTIRE CONTRACT**

a. The terms and conditions of this Contract, all exhibits attached and any documents expressly incorporated by reference represent the entire Contract between the parties with respect to the subject matter of this Contract. This Contract shall supersede any and all prior contracts, oral or written, regarding the subject matter between City and Contractor. No other contract, statement, or promise relating to the subject matter of this Contract shall be valid or binding except by a written amendment to this Contract.

b. If any conflicts arise between the terms and conditions of this Contract and the terms and conditions of the attached exhibits or any documents expressly incorporated, the terms and conditions of this Contract shall control.

25. **SEVERABILITY**

If any part of this Contract or the application thereof is declared invalid for any reason, such invalidity shall not affect the other provisions of this Contract which can be given effect without the invalid provision or application, and to this end the provisions of this Contract are declared to be severable.

26. **WAIVER**

Failure of City to insist on strict performance shall not constitute a waiver of any of the provisions of this Contract or a waiver of any other default of Contractor.

27. **ASSIGNMENT**

Contractor may not assign this Contract without the prior written consent of the City, except that Contractor may assign its right to any money due or to become due hereunder.

28. **EFFECT ON SUCCESSORS AND ASSIGNS**

This Contract shall be binding on and inure to the benefit of the heirs, executors, administrators, successors, and assigns of the parties hereto.

The undersigned further agrees to be bound by all of the terms of the Living Wage Ordinance, as mandated in the Berkeley Municipal Code, Chapter 13.27. If, at any time during the term of the contract, the answers to the questions posed herein change so that Contractor would be subject to the LWO, Contractor will promptly notify the City Manager in writing. Contractor further understands and agrees that the failure to comply with the LWO, this certification, or the terms of the Contract as it applies to the LWO, shall constitute a default of the Contract and the City Manager may terminate the contract and bar Contractor from future contracts with the City for five (5) years from the effective date of the Contract termination.
